

Greenheart Exchange Work and Travel Program

Host Organization Placement/Housing TERMS OF AGREEMENT

The Summer Work Travel (SWT) program is a non-immigrant cultural exchange visa program. Greenheart Exchange is designated by the U.S. Department of State as a J-1 Summer Work Travel program sponsor. This document serves as the agreement between the host organization and the SWT participant named on the Greenheart Exchange Placement Agreement. Although Greenheart Exchange does not sign this agreement, it is a party to it. This agreement is not valid until Greenheart Exchange has fully screened, vetted, and approved the host organization named here. For purposes of this agreement, “SWT participant” refers to the international participant who enters the U.S. temporarily under Greenheart Exchange’s program sponsorship for the Summer Work Travel program. “Host organization” refers to the organization where the SWT participant works while in the U.S.

In order to work with a host organization, Greenheart Exchange must confirm that the host organization is a legitimate and reputable company. The priority of Greenheart Exchange is the health, safety, and well-being of the SWT participants. As a result, Greenheart Exchange does the following:

- Greenheart Exchange uses publicly available information to search for any criminal history of any manager or supervisor who works with SWT participants.
- Greenheart Exchange collects copies of business licenses and/or other official documents that confirm that the host organization is a legitimate business in every location where a SWT participant is placed.
- Greenheart Exchange collects copies of documents that confirm that the host organization has Worker’s Compensation coverage, if such coverage is required, for every location where a SWT participant is placed.
- Greenheart Exchange collects detailed information about host organization-provided housing to ensure the safety and well-being of SWT participants.

Continued cooperation between Greenheart Exchange and the host organization is contingent on the host organization adhering to all Greenheart Exchange program rules, all U.S. Department of State Summer Work Travel regulations (22 CFR part 62), and all U.S. Department of State Guidance Directives (<https://greenheartexchange.org/professional-exchange/work-and-travel/#/tab/regulations>).

Greenheart Exchange cannot be held responsible for the actions of participants under Greenheart Exchange sponsorship, including employment performance, nor for any liabilities created, assumed, or incurred by the participants.

By signing this agreement, and as an authorized representative of the host organization, I agree to the following terms and conditions (<https://docs.cci-exchange.com/work-programs/swt/placement-agreement-employer>)
